NEW VOTING PRECINCTS TO BE ADDED IN COUNTY

County Judge George Batterton, with W. A. Thomason, of the North Middletown precinct, representing the Republican party, and W. D. McIntyre, of Millersburg, representing the Democratic party, met at the court house Wednesday and mapped out boundaries for ten new voting precincts to be added to the city and county before the November election. These new places are made necessary by the increase in population and the new women suffrage situation.

Five of the new precincts will be located in the city, and the other five in the county. A new polling place will be added to Precinct 2 of the First Ward in Paris, one each to Precincts 3 and 4 of the Second Ward, and two Precincts, 5 and 6, in the Third Ward. It may become necessary to give the three new precincts to the Third Ward. Riddles Mills will get one of the new precincts in the county; Millersburg one; Little Rock one; North Middletown one, and Centerville one.

Campaign Chairman Will G. McClintock has announced the appointment of Judge Denis Dundon as Chairman of the Bourbon County Democratic Speakers' Bureau.

EMBRY DOWNEY VICTIM OF AUTO ACCIDENT.

While en route to call on a friend on Eighth street Monday night Embry Downey, of the Stout's Cafe, was struck and knocked down by an automobile driven, it was stated, by Mrs. Allie Fichtelmaster Lizer, of the city. Mr. Downey received a compound fracture of the right arm, a broken nose, severe scalp wounds and other injuries of a more or less serious nature. Mrs. Lizer stopped her machine as soon as possible after the accident occurred and placing the injured man in it, hurried to the Massie Memorial Hospital, where his injuries were given medical attention. At the time of the accident Mr. Downey was about to cross the street, and miscalculated the distance of the approaching machine.

THE NEWS acknowledges receipt of late Kansas City papers, and other interesting reading matter, from former Parisian James B. Fee. Mr. Fee has been located in Kansas City several years. Among other interesting departments in the Kansas City Star is one conducted by Rev. Burris Jenkins, formerly President of Transylvania College, Lexington. Kansas City is the home of a large number of transplanted Paris and Bourbon county people, who, Mr. Fee says, in a letter, still regard with eagerness the prospect of returning to good old Paris at least for a visit.

INJURED FOREIGNER DIES AT MASSIE HOSPITAL

The unknown foreigner who became insane and jumped through the window of an L. & N. fast passenger train near Falmouth a few days ago, died at the Massie Memorial Hospital, in this city, Tuesday night, without having regained consciousness.

In company with another man, he had purchased tickets from Pineville to Detroit. When near Richmond he became suddenly violently insane, so that it became necessary for the train men to bind him to a seat. He was placed in charge of his traveling companion. In some way he managed to get loose from the fastenings, and emptying his pockets of about \$150 in cash, a gold watch and a number of papers, which he placed on the seat beside him, he plunged through the window before he could be restrained. He landed on his head on the opposite track. The train was stopped, the man picked up and returned to Paris, where he was sent to the Massie Hospital.

The man was about fifty years old, five feet, seven inches in height, of a swarthy complexion, and had jet black hair and mustache. The body is at the George W. Davis undertaking establishment, where it will be held several days by Coroner Rudolph Davis, while an effort is being made to locate relatives. A plaster cast was made of his features and a photograph taken to assist in the identification.

MAYSVILLE MAN WINS BLUEGRASS CHAMPIONSHIP.

A crowd of between 300 and 500 attended the big registered shoot held on the old Hilltop Gun Club grounds, on the farm of Alfred Clay, near Austerlitz, Monday. There were sixty-six shooters participating, with a program of 200 targets.

In the professional shoot at two hundred birds Mr. Fox won with a score of 190. LeCompt and Morton tied for second place, each breaking 179, and Cassidy third place with 172. In the amateur shoot at two hundred birds, Houston Hall, of Maysville, and Woolfolk Henderson, of Lexington, tied for first place, with 193 each, Henry Herndon, of Georgetown second, with 187, and Dr. Hillis, of Fayette county, third, with 186.

In the shoot for the Bluegrass Championship, Houston Hall, of Maysville, won, breaking 97 out of a possible 100 birds. Hall also won the Challenge Cup with 96 out of a possible 100 birds. Hall and Henderson tied for the high average with 193.

MORE STORMS, RAIN AND LIGHTNING.

Jupiter Pluvius, Mars, Thor, and all the other mythical gods, who were popularly supposed to have control of the weather business, are working overtime on their jobs these days, even at night when common people are asleep. Jupiter Pluvius especially has been tilting the rain barrel a little too far.

Following in the wake of recent storms a heavy downpour of rain fell early yesterday morning, accompanied by a vivid display of lightning, and loud peals of thunder. The big tension wires of the Kentucky Traction and Terminal Co. between Lexington and the sub-station, five miles from Paris, were broken in two places, interrupting passenger traffic between Paris and Lexington on the interurban line. Paris industries were without light and power until about 8:30 o'clock, when the old plant of the Paris Gas & Electric Co. was put into commission. The telephone service suffered slight inconvenience. No damage or property loss was reported from the city or county.

FORMER PARISIAN KILLED IN CANADA.

A message from Hughton, Saskatchewan, Canada, to E. F. Spears & Sons, Wednesday night told of an accident in which a former Paris boy lost his life. A wagon team driven by James Dodson became frightened and ran away. The wagon was demolished, Dodson being thrown against a tree trunk, killing him instantly.

Young Dodson came to Paris from Blue Licks, where he had resided for several years. He secured employment as a clerk in the Owsley restaurant. A few weeks ago he left Paris to take a position on the big wheat and flax ranch of Spears & Sons, near Hughton, where several Paris and Bourbon county boys are employed. He was well liked by his employers and associates. The body will be sent to the home of his parent, in Mt. Olivet, for burial.

PARIS TRAINMAN INJURED

J. A. Kelley, of Paris, fireman on No. 138, passenger train, on the L. & N., which arrived in Maysville, Monday morning, stuck his head out of the cab when approaching the roundhouse, a short distance east of the station, when his head struck the brick wall, badly injuring and bruising the right side of his face. Fortunately the train was running slowly and the impact was not sufficient to cause serious injury.

DEATHS.

SHINGLETON.

William Shingleton, aged thirty-two, a popular and highly-esteemed young insurance man of Cynthiana, died in a Covington hospital, Monday, after a short illness, from erysipelas. He was a son of the late Mr. and Mrs. George Shingleton, of Cynthiana, and was a brother of James Shingleton, of Jacksonville, this county, and Mrs. Maggie Harp, of Paris.

The body was brought to Cynthiana, Tuesday, where the funeral was held from the residence of Col. Wm. Moore, with services conducted by Rev. Jos. D. Armistead, pastor of the Cynthiana Christian church. The burial followed on the family lot in Battle Grove Cemetery. The pallbearers were James Hanna, Roy Peck, Eugene Tucker, Harold Shropshire, Linus Lebus and Dr. Paul Lail.

KENNEY.

Mrs. Julia Porter Kenney, aged eighty-seven, died Monday night at her home, near Hutchison, in this county, of the infirmities of age. Mrs. Kenney had been confined to the house but a short time, though her illness dated back a period of several months.

Mrs. Kenney was the widow of William Kenney, for many years one of the best-known farmers of the Hutchison vicinity. She was a woman of the highest Christian character, and had a host of friends in the county and city who sincerely regret her passing. Mrs. Kenney was a granddaughter of Joseph Porter, killed at the battle of the River Raisin, and a cousin of ex-Governor Folle, of Montana.

Mrs. Kenney is survived by three daughters, Mrs. Henry A. Erdman, of Lexington, Mrs. William B. Thomas, of Irvine, and Mrs. W. E. Risque, of Midway, and two sons, William and Benjamin Kenney, both of Bourbon county.

The funeral was held Wednesday afternoon from the residence near Hutchison, followed by interment on the family lot in the Paris Cemetery. Services were conducted at the grave by Rev. Arthur Fox, pastor of the Paris Baptist church. The pallbearers were: Chas. A. Webber, Clarence Kenney, Walter Kenney, M. R. Jacoby and Dr. Logan Gragg.

ANYBODY KNOW HIM?

Postmaster J. Walter Payne received a telegram Tuesday from Indianapolis, Indiana, parties, asking information as to the relatives, if any here, of a former Bourbon county man, who died in that city very suddenly that morning. The telegram read as follows:

"Indianapolis, Ind., Sept. 7. "Postmaster, Paris, Ky. "T. S. Montague, born in Paris, Ky., Oct. 24, 1858, dropped dead in Indianapolis, to-day. If you know of any relatives, notify them and wire W. G. Taylor, secretary B. P. O. Elks, No. 13, or M. H. Eaton, Indianapolis, Ind."

Mr. Payne is making inquiries and conducting a personal investigation, but so far has been unable to locate the man's relatives, or anyone who knows him. At different times in the past members of families bearing that name have resided near North Middletown and other parts of the county, but it cannot be learned if the dead man belonged to any of these families.

After following up several promising leads Postmaster Payne finally received a letter from Cincinnati establishing the fact that Montague had at one time been a resident of the North Middletown precinct. His last home address was given at 115 East McMillan street, Cincinnati. From there he went to Indianapolis, where he secured employment. Postmaster Payne immediately notified Secretary Taylor, of the Indianapolis Elks Lodge. The body will probably be buried in Indianapolis, unless relatives yet to be located, should decide otherwise.

RAILROAD VICTIM'S IDENTITY NOT ESTABLISHED

All efforts of the authorities to establish the identity of the aged white man killed by an L. & N. train near Kiserston some time ago, having proved fruitless, the body was removed from the undertaking establishment of George W. Davis, and buried in the Paris Cemetery.

A letter received by Coroner Rudolph Davis from Frank J. Lafferty, acting Chief of Police at Muncie, Ind., in response to a query from Mr. Davis, did not serve to throw new light on the matter. Mr. Lafferty stated the man had been in Muncie, and said that he had no place of residence, but his home was wherever he put up his hat. While there he purchased a ticket for Indianapolis, but later traded it for a ticket to Paris. Dan Watts, of Muncie, whose card was found in the dead man's pocket, said he did not know the man, and had never seen him before until he met him in the depot.

WELL AND HAPPY AFTER 20 YEARS

Had Lost Faith In All Medicines—
Now Regrets She Did Not
Take Tanlac Sooner

"After twenty years of suffering I am at last a well and happy woman, and it's all because of the splendid results I have gotten from Tanlac," was the statement made by Mrs. John Carmack, of 404 East Jackson Street, Bloomington, Ill.

"Twenty years ago my health began to fail, and I gradually grew worse until a short time ago I suffered a complete nervous breakdown and was simply a wreck. I had indignation so bad that I was almost afraid of eating anything. My stomach pained me nearly all the time and I would bloat up with gas something awful. Sometimes my whole body seemed racked with pain and I was in such agony I could hardly stand it. I lost strength and energy until it was an effort for me to get around. My nerve were in a dreadful condition and any unusual noise would upset me terribly. I simply could not sleep to do any good and every morning I got up worn completely out. I had lost faith in all medicine, as I had tried so many without getting relief, and I felt that I would have to give up entirely."

"I heard about Tanlac nearly a year ago, and a short time ago when one of my friends recommended it to me so highly I made up my mind to give it a trial. And now my only regret is that I didn't take it a year ago, for it has restored my health completely and after all these years of suffering I am now a well woman. My appetite is just splendid and it makes no difference at all what I eat I can digest it. I never have a pain or ache of any kind and I am not at all nervous or restless. My sleep is sound and refreshing and of mornings I get up feeling just fine and ready to attend to my household work. My friends are all surprised to see how I have changed and I never fail to tell them that Tanlac did it."

Tanlac is sold in Paris at the Peoples' Pharmacy. (adv)

EDITORIAL FLINGS OF THIS THAT 'EN 'TOTHER

Two good women of this city have told us that they don't know enough about the political issues of the day to vote in the coming election. Bless you, don't worry about that! There's oddsins of Paris men who are in the same fix, but they'll vote, just the same!

The Ponzi case seems to indicate that "suckers" are being born much more frequently than was the case when the birth rate of such was estimated at one a minute.

Some Paris girls have become so proficient with a motor car that they can run down almost any pedestrian pointed out to them. But they may wish later that they had more practice with the rolling pin as a weapon of domestic offense.

The Mayor, the police and the citizens of Shelbyville have declared and are waging a vigorous war on the cut-out and open muffler nuisance in that city. Several motorists have been tried in Police Court, and given heavy fines for violation of the State law. The nuisance is unabated in Paris.

When Paris women find they cannot add a postscript to their ballots or come back in the afternoon and change them, they are going to lose all interest in exercising the right of suffrage.

It now looks like the "floaters" of Kentucky had better stay at home instead of going to Ohio during the Presidential election. It is stated that the Republicans are going to turn loose a golden stream in the State, whereon the erstwhile "floaters" may float to their pocket-book's content.

"Women are dressing to display their curves," recently thundered an observing minister. We'll wager that they were symmetrical, and that parson took his time in viewing square hips, angular arms and legs and round—heads!

There is one little matter in connection with the Ponzi fiasco to which, as it seems to us, too little attention has been paid. Why should the Postoffice learn months and months after everyone else that its official rates of exchange bore no relation to existing facts, and invited just such juggling as was at least the advertised basis of the swindle?

A Paris man was knocked down recently by a racing motorist, one arm broken, nose broken, scalp cut and rib broken. Funny that pedestrians will never learn that

LAST CONCERT OF SEASON

On account of the near approach of cooler weather, the last of the series of outdoor concerts at Lexington by the Gregg Orchestra, of Paris will be given next Sunday. The afternoon concert will be given at Woodland Park at 3:30 o'clock, and the evening concert at Duncan Park at 8:00 o'clock. The following program will be rendered:

Stars and Stripes March; Tom Brown's Saxophone Waltz; selection from comic opera, "Angel Face," Song for Cornet, "The Rosary," Clarinet Blues. Intermission. March, "Bugle Blast," selection, "Voice of McConnell," Waltz, "O Sole Mio," "Trombonium," characteristic number; "Rose of Washington Square" fox trot; Star Spangled Banner.

Fire, Wind and Lightning Insurance.

Thomas, Woodford & Bryan

they have no rights whatever where a motor car right-of-way is concerned. The driver of the car that struck the man must have been an amateur, or the job would have been completed there and then.

Dispatches in daily papers say hair tonics are growing in popularity in Washington, as a beverage. We suppose that now when a barber asks a customer if he will have a little hair tonic he isn't cussed out. At least if it is tried here in Paris, the response would be a hearty and really spontaneous one. Bring on a little hair tonic, please!

Nearly every day we see in some paper a picture of a girl and underneath it the caption, "Latest Style Skirt," but there's very little skirt in evidence. The most that we see is stockings.

It takes money to buy automobiles, and there must be a world of money in Bourbon county. Last Saturday there were more automobiles parked around the court house and on the side streets than it seemed possible to get into the city. Somebody has been spending money!

They were discussing things in general in a local restaurant Saturday when the subject veered around to cistern water vs. hydrant water. A Paris physician, who, for obvious reasons, must remain unnamed, stated as his belief, that the city water was the best. He stated that it is a well-known fact that water purifies itself every five miles in running through the soil, and that the water furnished by the local company is purer than cistern water, which is liable to contamination from outside influences. He stated that there had never been a case of typhoid fever or other contagious disease that could be absolutely traced to the use of water furnished in Paris.

CARLISLE GETS CURRENT

After having been out of commission since the flood, which devastated portions of Carlisle, the electric light plant in that city has been put in working order. The city now has current for lighting and power purposes. The electric light company asked the City Council for permission to raise the rate in Carlisle. The Council sent to Chicago for an expert to look over the plant and determine whether or not the desired raise in rates is reasonable. The Carlisle Mercury, which was almost out of commission for a while on account of a lack of power for its linotype and presses, has resumed the operation of those machines. Most of the matter published in recent issues was set on THE NEWS linotype, in this city.

HAS NO PAIN NOW

What Lydia E. Pinkham's Vegetable Compound Did for Mrs. Warner.

Onalaska, Wis.—"Every month I had such pains in my back and lower part of stomach I could not lie in bed. I suffered so it seemed as though I would die, and I was not regular either. I suffered for a year and was unfit to do my housework, could only wash dishes once in a while. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women and decided to try it. It surely did wonders for me. I have no pains now and I can do my housework without any trouble at all. I will always praise your medicine as I do not believe there is a doctor that can do as much good in female weakness, and you may use these facts as a testimonial."—Mrs. LESTER E. WARNER, 1018 Pine St., La Crosse, Wis.

The reason women write such letters to the Lydia E. Pinkham Medicine Co. and tell their friends how they are helped is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved.

Each Has Special Gift.
Degrees infinite of luster there must always be, but the weakest among us has a gift, however seemingly trivial, which is peculiar to him, and which, worthily used, will be a gift, also, to his race forever.—John Ruskin.

Catarh Can Be Cured
Catarh is a local disease greatly influenced by constitutional conditions. It therefore requires constitutional treatment. QUESTION CLEARED UP

Paris Readers Can No Longer Doubt The Evidence

Again and again we have read of strangers in distant towns who have been cured by this or that medicine. But Paris' pertinent question has always been "Has anyone here in Paris been cured?" The word of a stranger living a hundred miles away may be true, but it cannot have the same weight with us as the word of our own citizens, whom we know and respect, and whose evidence we can so easily prove.

Geo. McCandless, Second street, Paris, says: "My kidneys were inactive and I had backaches. Doan's Kidney Pills put a stop to all the troubles and they gave me complete relief."

NO TROUBLE SINCE
Over four years later, Mr. McCandless said: "I haven't had any need of a kidney remedy since I last endorsed Doan's Kidney Pills. I consider myself permanently cured."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McCandless had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

OLDEST HOUSE IN CLARK COUNTY BURNED.

The old Renick homestead, probably the oldest house in Clark county, was burned to the ground the past week, the fire being doubtless due to a defective flue. The place was near Renick Station, just back of the present homestead of Hon. Abram Renick. It was occupied by Mr. Lovell and family.

The house was built in 1793 by the great-grandfather of Mr. Renick, and was thus 127 years old at the time it was burned. It was originally built of logs, and was well and substantially constructed and consisted of six rooms.

The difference between Solomon and the modern poet is that he was able to support a large family.

KENTUCKY FIRE CHIEFS TO CONVENE SEPT. 15.

W. A. Jesse, chief of the Lexington fire department, and Edward M. Hite, formerly deputy State fire marshal, will leave early next week for Louisville, where they will attend the convention of the Kentucky Fire Chiefs' Association, which will be held in the Falls City, September 15 to 17.

Chief Jesse is president of the fireman's organization, and the former fire marshal is secretary. Both men will deliver addresses at the convention. Chief Jesse will speak on "Morality and Its Effects on the Fire Department." Mr. Hite will address the fire department heads on "The Value of Chemicals in Large and Small Fire Departments." During the three-day session at Louisville the members present will attend the State Fair in the afternoon, where the latest equipment for fire departments will be demonstrated.

It Is Time.
"Hatspins to match the color of the eyes are to be very fashionable this year," according to a trade journal. This should be good news to those street car travelers who object to having green hatspins stuck in their blue eyes.—Punch London.

SOLDIER HERO'S BODY SENT TO MAYSVILLE.

The body of Sergt. Christian Dunbar, passed through Paris, Monday night, en route to his former home in Maysville, for burial. Dunbar was wounded in France during the world-war, and was taken to England, where he died in an army hospital on Sept. 30, 1918, of pneumonia. The casket containing the body was draped with an American flag, and was in charge of Private L. Vale.

The body was taken in charge by relatives at Maysville. The funeral took place in the Bethany cemetery Wednesday afternoon at two o'clock, under the auspices of the Leslie H. Arthur Post, American Legion, of Maysville. Services were conducted at the grave by Rev. John Mullen.

Price and Percentage.
Increase of price when measured in percentage is very often incorrectly given. When the price doubles the increase is 100 per cent, but many people describe it as an increase of 50 per cent.

MATRIMONIAL.

—Dan Cupid, that little master of men and women, works in a mysterious fashion, sometimes, his wonders to perform. Through information, the source of which must for a time remain our secret, THE NEWS has learned of a secret marriage between a young Paris business man and a former Paris girl, residing in another city. The parties have expressed a willingness to give the marriage publicity in Tuesday's issue of THE NEWS. Like the words in the cabaret song, "You'll be surprised!"

HOLT-STOCKELY.

—Miss Nellie Holt, of Lexington, daughter of Mr. and Mrs. Blanton Holt, formerly of Paris, and Richard Stockely, of Lexington, were united in marriage Tuesday morning at the home of the officiating minister, Rev. Father William Punch, in Lexington, in the presence of a few intimate friends and members of the family. After the ceremony Mr. and Mrs. Stockely left for a bridal trip to Louisville, where they will visit friends and relatives several days. On their return they will reside in Lexington, where Mr. Stockely is engaged in the market business. The bride is a granddaughter of Mrs. Ben Holt, of Paris, and an unusually handsome and attractive young woman.

SUMMER-ALLEN.

—The marriage of John Love Allen and Miss Alpha Summers, both of Winchester, took place in this city Wednesday morning at the home of the officiating minister, Rev. W. E. Ellis. The young people motored over from Winchester, accompanied by Miss Bessie Summers, sister of the bride, Mr. and Mrs. Minter Wheeler, and Mr. Wharton Renaker, all of Winchester. Following the ceremony Mr. and Mrs. Allen and the bridal party returned to Winchester, from where Mr. and Mrs. Allen left for a wedding trip.

The bride is a daughter of Mr. A. W. Summers, of Winchester. She is a beautiful blonde, having a sweet and lovable disposition. For the

ceremony she wore a brown suit with hat, gloves and shoes to match, and a corsage bouquet of roses. Mr. Allen is the youngest son of Dr. and Mrs. John C. Allen, of Winchester, and is engaged in the concrete business.

KELIER-NEWSUM

—If the sun shone brightly in Chicago, Tuesday afternoon, its rays caught a reflection of happiness on the face of a fair daughter of old Kentucky, who that day became the bride of a former Parisian, now a resident of Texas. That afternoon at the residence of the officiating minister, the rector of one of the Chicago Episcopal churches, Miss Lela Kelier, daughter of Dr. and Mrs. A. H. Keller, of Paris, was united in marriage to Mr. Arthur Newsum, of Dallas, Texas, son of the late Mr. Arthur Newsum, formerly of Paris. The marriage was witnessed by a few intimate friends and relatives.

The bride is one of the handsomest young women of the Bluegrass, a tall brunette of striking personality, whose graciousness and charming manners have made her a universal favorite here and in the large circle of friends elsewhere. Mr. Newsum is a hustling member of a prominent oil firm in the Texas oil fields, and has won merited recognition in the business world. His father was formerly prominent in the turf world in this section.

After a short visit to friends in Chicago and other places of interest, and a honeymoon trip to the East, Mr. and Mrs. Newsum will return to Dallas, where they will make their future home. The best wishes and hearty congratulations of a host of friends will follow them from the Bluegrass region to their far-away home in Texas.

It is better to take some things for granted than to start an investigation.
